

US Army Corps
of Engineers®
Far East District

***PUBLIC NOTICE FOR POSITION BEING FILLED
UNDER DIRECT HIRE AUTHORITY (DHA)
FOR CERTAIN PERSONNEL OF THE DEPARTMENT
OF DEFENSE (SECTION 1109)***

Public Notice Number: FED-ED-2022-006

Open and Closing Dates: 11 May 2022 through 31 Dec 2022

Organization: U.S. Army Corps of Engineers, Far East District, Engineering Division

Duty Location: Camp Humphreys, South Korea

Series/Grade: GS-08XX-14

Salary: \$95,973 - \$ 124,764 per annum. See additional entitlements and allowances below.

Position Title: SUPERVISORY INTERDISCIPLINARY - 0801 / 0810 / 0819 / 0830 / 0850

Work Schedule; Appointment Type: Full-time; Permanent. Multiple positions may be filled from this notice.

Responsibilities/Duties: Serves as a Deputy Chief, in the Engineering Division.

- Serves as Deputy Chief, Engineering Division in support of the Division Chief's engineering program in all phases of management and supervisory activities concerned with the success of the Far East District engineering program within resource constraints and policy guidance provided by the District Engineer/Deputy District Engineer.
- Performs continuing review of engineering activities to ensure that management objectives are met.
- Recommends changes in organizational structure to improve the unit's efficiency and coordination among subordinate staff.
- Manages funds and resources to ensure projects are completed on time, within budget, and meets or exceeds the scope.
- Provides expert advice on all technical aspects of projects related to Military Construction.
- Analyzes possible applicability of engineering principles to organizational projects to make recommendations based on findings.
- Communicates with officials of higher headquarters to provide or exchange information and explain Engineering Division policies and procedures.
- Leads various boards and committees established to accomplish recurring functions not appropriate for assignment to one organizational element.

Conditions of Employment:

- U.S. Citizenship required.
- This position requires the employee to obtain and maintain a Secret clearance.
- EMERGENCY ESSENTIAL STATEMENT: This position is considered essential to support the Army's mobilization and wartime mission during periods of increasing tension or mobilization.
- This position requires license as a Professional Engineer or Registered Architect at the time of appointment.
- Submit a Financial Disclosure Statement, OGE-450, upon entering the position and annually thereafter.

Travel Requirement: 20 % Temporary Duty Travel required

Education Requirements: Bachelor's degree (or higher degree) in engineering or architecture. This education must be reflected on your resume and transcript(s).

Professional Registration or Licensure: Current registration as a Professional Engineer (PE) or Registered Architect (RA) by any State, the District of Columbia, Guam, or Puerto Rico required for GS-13 level.

Relocation: Permanent Change of Station (PCS) allowances may be authorized, subject to the provisions of the Joint Travel Regulations and an agency determination that a PCS move is in the Government Interest.

Hiring Incentive: Hiring incentives such as a recruitment/relocation incentive may be authorized (subject to available budget) if the selecting official determines the incentive is in the best interest of the government.
