GOVERNMENT-FURNISHED PROPERTY (CONT'D)

ITEM NO.	DESCRIPTION	UNIT	QUANTITY
4.	The acquisition cost of this property exceeds [\$].		
4.1	Unless shown elsewhere in this contract or in the contract drawings, the items and quantities listed in SECTION 00 01 16 shall be the only property furnished to the Contractor at Government expense. All other items and quantities which are required to complete the contract work shall be furnished by the Contractor.		
4.2	This property will be available at Using Agency. The Contractor shall be responsible for loading and securing the property on his trucks or on other conveyances and for the safe delivery of the property to the job site.		
5.	The quantities are provided for estimation purpose only. Contractor shall verify actual quantities prior to installation.
