

ARRIVAL IN KOREA

1. Transportation from the airport to the Joint Reception Area (JRC) will be provided by the 8th U.S. Army and military transportation.
2. Upon arrival at Incheon International Airport all must process through Immigration and the SOFA Military Customs (See Airport Map).
3. After processing through Customs all personnel must exit from that area to the main terminal.
4. After entering the main terminal area make a right turn and proceed to the far end of the building. Proceed to the UFL Desk (See Airport Map).
5. Sign in at the UFL Desk to get transportation to the JRC.
6. After arriving at the JRC all personnel must fill out Emergency Data Identification Card and view a 20 minute video.
7. A Corps of Engineer Logistics Support Team (LST) member will meet you at the JRC to provide further assistance for transportation to the exercise area and answer any questions you may have.
8. If there are any questions or further clarification is required feel free to ask Kenneth.L.Pickler@pof02.usace.army.mil.
